### History

You met Rose Bollacher on her wedding day, when the professor hired you to do read palms for his wedding guests. The gig was a lark for you – you had always been an entertainer passing yourself off as a true medium – but when you took Rose’s hand in your own, a powerful vision rushed over you.

Rose Bollacher was doomed to a terrible fate.

Since that day you’ve kept in touch with Rose. She’s been a good friend through hard times, and always loaned you money when you were down on your luck, so when you heard she was in trouble, you knew what you had to do: You pulled a quick scam, landing some easy money, and caught the first flight to Luxor. If your friend is in trouble, you’re not going to stand by, and whoever is responsible is going to pay.
